RESPONSE TO NOTICE OF MISSING PARTS OF APPLICATION
FILING DATE GRANTED

Sir:

In response to the Notice to File Missing Parts of Application dated July 18, 2005, which states that the compact disc filed November 3, 2003 failed to comply with 37 CFR 1.52(e), Applicants submit herewith the following statement:

Applicants respectfully point out that on January 8, 2004, a Notice to File Missing Parts of Application was mailed from the USPTO, which also contained the statement that the compact disc filed November 3, 2003 failed to comply with 37 CFR 1.52(e).

The compact disc was submitted on November 3, 2003 as an attachment to an Information Disclosure Statement, and contained U.S. references cited therein in .pdf format.

On April 12, 2004, in response to the Notice to File Missing Parts of Application dated January 8, 2004, Applicants submitted hard copies of the U.S. references originally submitted on the compact disc on November 3, 2003. A copy of the Return Postcard, date-stamped by the USPTO in receipt of these references, is enclosed herewith.

Therefore, Applicants believe that the Notice to File Missing Parts of Application dated July 18, 2005, requesting that the same U.S. references be submitted, was mailed in error.

Furthermore, Applicants respectfully point out that they are not required to submit copies of U.S. references cited in Information Disclosure Statements, as stipulated under 37 C.F.R. 1.98(2).

Applicants believe that no fees are due at this time. However, if deemed necessary, the Commissioner is hereby authorized to charge any fee deficiencies or overpayments to Deposit Account No. 16-1340.

Please address all correspondence to the undersigned attorney at the following address:
